

Beautification of Deerwood Park

General Clean-up

- garbage that has been piled up around the silo over the years has been hauled away
- 2 other truckloads of discarded materials from around the neighborhood have been taken away

Birdhouse Replacement

- bird houses that had fallen apart have been replaced with new ones.
- Thanks to Luis Macias for the handcrafted new ones!

Upcoming Beautification / Maintenance:

- Rusty metal benches to be spray painted
- Gazebos to be power washed & painted
- Pond fountain to be repaired
- Ponds to be treated for algae
- dead trees removed in focal areas
- picnic tables & grills painted
- lawn furniture at barn fire pit painted/repainted
- selective pruning of overgrowth throughout
- weeding
- needed: foot bridges to access barn and picnic area off Deer Valley Rd.
